

TOP REASONS TO APPLY TO *Mayfair Lab*

K-8 ACADEMIC MAGNET

Rigorous curriculum with high expectations for student achievement - we offer high school credit courses and priority admission to BR Magnet High.

ecoSTEM

Explore! Excite! Empower! With a focus on environmental studies, students apply academic concepts to the real world, through annual ecoSTEM projects.

DUAL TEACHER MODEL

Developed in partnership with LSU's Lab School, the dual teacher model in K - 5th grades fosters student success in the foundational years and beyond.

DIVERSE COMMUNITY

With families representing many cultures, ethnicities, and backgrounds, we celebrate our uniqueness and share our togetherness as one community of many.

HEALTH & WELLNESS

Yoga, Farm to School, Seeds2Success, Double Recess Time, Hands-On Learning, Gardening, Family Events, and more!

EXTRACURRICULARS

BETA Club, International Games Club, Youth Legislature, LEGO Club, Chess Club, Art, Kiwanis Builders Club, Music, STEM, Scouts, Math Counts, and so many more!

NATIONALLY RECOGNIZED

2024 National Blue Ribbon School
2024 Magnet Schools of America Certified Demonstration School
2019 U.S. Department of Education Green Ribbon School

SPROUT TO BLOSSOM

From the primary years through middle school, your family is part of a small, close knit community that cares about your child through each milestone.
