## ***START GETTING THOSE PHYSICALS!***

Athletes need to start getting a new physical for the new school year. Each athlete must have a current physical on file to tryout for their choice sport.

*Physicals are only valid for 13 months.*

We do not currently have EBR athletic forms, but we will send them home for you to sign as soon as they are made available to us.

**Below is the sports physical form to take with you to your physician.**
