## **HANDS ON LEARNING**

*Grade levels adopt environmental projects on our campus and work collaboratively to develop solutions. Also, the 4Cs of STEM (Creativity, Communication, Collaboration, & Critical Thinking) are incorporated into every lesson, every day!*

## **Why Mayfair Lab?**

*Mayfair Lab is well known for academic excellence in a small school setting. Developed as a partnership with Louisiana State University Laboratory School (ULS), Mayfair Lab follows the model of organization and instruction currently in place at ULS. Mayfair Lab incorporates the dual teacher model in lower elementary grades to foster student success in the foundational years and beyond. We offer a consistent educational experience from early childhood through middle school.*

## **MAGNET THEME**

*Academics with a focus on environmental studies (ecoSTEM)*

## **OUR VISION**

*Explore!  
Excite!  
Empower!*
